

Bring a Friend Patch Girl Scout Daisy – Ambassador

The purpose of this patch program is to recognize girls who invite friends to experience Girl Scouts at a troop meeting, River Valleys program, or a Service Unit event. River Valleys believes every girl should have the opportunity to experience the benefits of Girl Scouting; this patch program is designed to encourage Girl Scout membership by recruiting friends to join.

How do I earn the patch?

It's easy to earn the Bring a Friend patch. Invite a friend to a troop meeting, River Valleys Program, or service unit event. When your new friend completes the River Valleys membership registration form and submits the form to a troop leader, service unit registrar or local service center; you and your friend will have earned the Bring a Friend patch. Invite a friend today to a troop meeting, program, or service unit event.

Patch Info:

The Bring a Friend Patch is a round patch with two cherries; girls earn the round patch for the first friend they recruit. For every friend after the first friend they recruit they earn an additional cherry to place around the original patch. The patch is placed on the back of the vest or sash.

Troop leaders and/or Service Unit Volunteers are responsible for determining when girls have met the patch requirements. Patches can be purchased at any River Valleys Girl Scout shop. Visit www.girlscoutsrv.org for store hours and locations.
